

Binding Specifications

Burst and PUR Books (sizes based on A5)

Cover

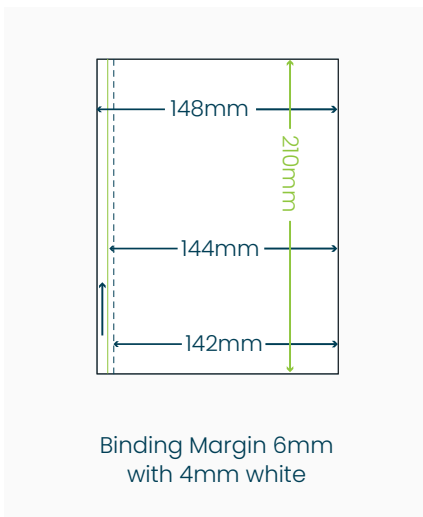

OUTSIDE

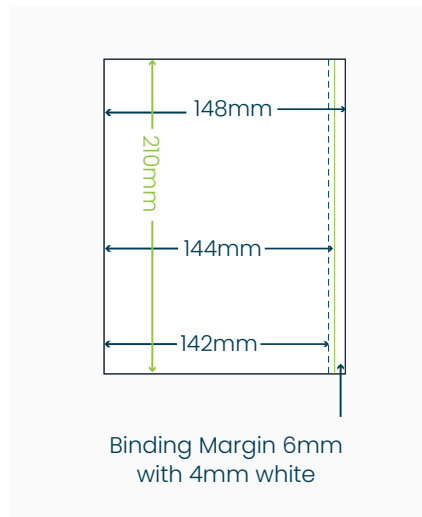

INSIDE

Text

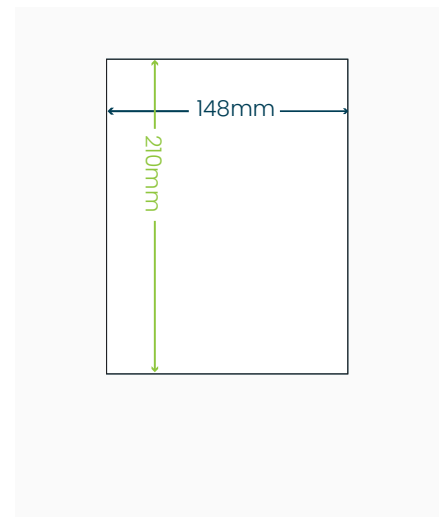

- Allow 3mm of bleed on pages
- Supply text as single pages pdf files

FIRST PAGE OF TEXT

LAST PAGE OF TEXT

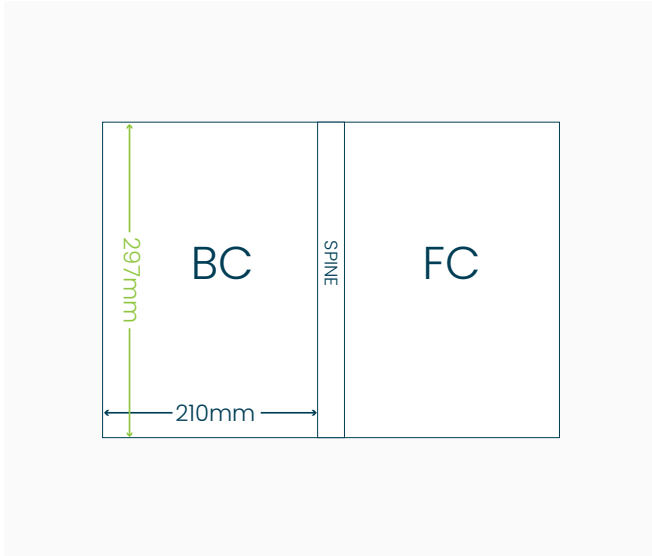

BALANCE OF TEXT PAGES

*Binding Margin 6mm is the area that will not be seen when bound, with 2mm of bleed into that area so there will be a 4mm none image area white. If there is an image going across both pages make sure they align at the 6mm Binding Margin position.
